
ABOUT THE MAG

SU2C Magazine features content central to the theme and spirit of the entire Stand Up To Cancer initiative: Awareness, education, entertainment, opinion, irreverence, humanity, and progress. You'll find out about the hallmarks that make over 200 forms of cancer one disease, and you'll find out why it's time we stand as one against it. In these pages are the project's practical poetry, and an introduction to the scientific breakthroughs that you can take part in. You'll get a taste of the instructive wit, personal narratives, and strong, informed opinions that are a persistent presence throughout this website.
